**RESPONSE TO SELECTION OF SPECIES REQUIREMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is responsive to the Office Action mailed March 24, 2006, in which a Restriction Requirement was set forth relative to the Examiner-identified inventions of species A (drawn to aircraft) and species B (drawn to an airfield). In response, Applicant hereby elects species B, to which claims 1-15 and 30-46 are drawn. However, Applicant is uncertain as to Examiner's reasoning for describing species B as being narrowly drawn to an airfield as claims 1-15 generically recite a ground surface location system including a location transmitter positioned at a location within a coverage area, and claims 30-36 more specifically recite an airfield ground surface location system including a location transmitter positioned at a location on an airfield.

Any inquiry regarding this Response should be directed to Steven E. Dicke at Telephone No. (612) 573-2002, Facsimile No. (612) 573-2005. In addition, all correspondence should continue to be directed to the following address:
